**Restoration at Powell Beach**

The District of Summerland, in partnership with the South Okanagan Similkameen Conservation Program and Southern Interior Land Trust, led a planting of native plants as part of the restoration of Powell Beach Park that was damaged by flooding in 2017 and 2018. Mayor Toni Boot joined two classes of Grade 4 and 5 students from Trout Creek Elementary School to plant 100 native riparian plants that will grow to become habitat for wildlife, beautify the park and assist with reducing future effects of high water and flooding in the park. Part of a *Love your Lake* project, signs will be added later to explain the work completed at the site and demonstrate how plants can help keep the lake healthy. Funding for the plants and materials were provided by Environment and Climate Change Canada and the South Okanagan Conservation Fund.

## Advisory Planning Commission

The APC has one volunteer opening. If you would like to be on this commission, please complete an application form, found on our website, and send it to [kjones@summerland.ca](mailto:kjones@summerland.ca) by Nov. 22.

## Take Time to Remember November 11

District offices, the landfill, pool and fitness centre will be closed Monday, November 11 for Remembrance Day.

Take time to remember the brave men and women who served our country. View the banners displayed around town in honour of Summerland's WWI and WWII soldiers.

The Summerland Legion will hold a ceremony at the Cenotaph in Memorial Park Monday, Nov. 11 at 11am.

Council's Regular meeting is scheduled for Tuesday, November 12.

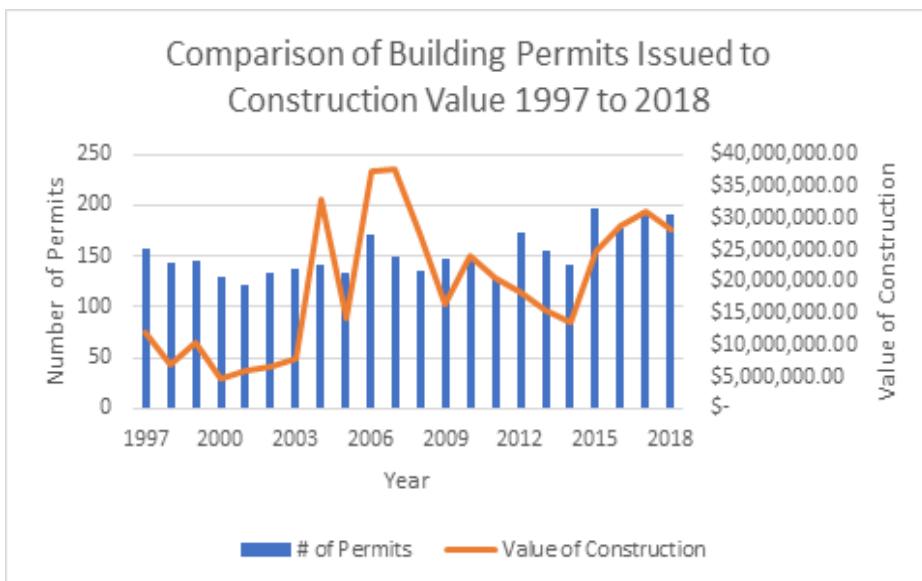

## Building in Summerland

### New Committee Formed to Improve Process

The Development Services department is striving to provide outstanding customer service and is taking steps to improve process outcomes.

In October the District held a "Meet & Greet" with local contractors to hear their concerns and ideas and build relationships. Council approved the creation of a new Development Process Improvement Advisory Committee and are accepting applications from volunteers who would like to be part of this committee. Please visit our website [www.summerland.ca/committees](http://www.summerland.ca/committees) for the terms of reference and an application form to apply. Please send applications to [kjones@summerland.ca](mailto:kjones@summerland.ca) by November 22. Council will review all applications received and make appointments in December.

The chart below gives an idea of how the number and value of Building Permits have increased over the years.
