## News Release

*For Immediate Release*  
*DATE April 28th, 2015*

### **Opportunity for Development Proposals**

The District of Summerland is open to creative proposals for the development of municipal property, specifically the “old” RCMP site located at 8709 Jubilee Road. A Request for Proposal (RFP) has been issued.

“Summerland is looking forward to having this vacant property redeveloped with much needed affordable housing,” advised Mayor Peter Waterman. “We want to work with developers to move this forward.”

The property is zoned for Residential Pocket Neighbourhoods but the District welcomes any and all applications. We will be looking for affordability of the homes, the development as a whole, green building practices, the time period for completion, and revenue to the District.

The RFP is available on our website [www.summerland.ca](http://www.summerland.ca) and closes at 2:00pm Friday, May 29<sup>th</sup>, 2015.
