Summerland Recreation and PacificSport Okanagan team up to offer Summer Fun!

Summerland – Summerland Recreation and PacificSport Okanagan are thrilled to expand their partnership to offer a variety of pop-up summer programs, additional summer camps, and occasional events in July and August throughout Summerland.

PacificSport Okanagan has hired Summerland local, Ali, to spread play and fun through FREE PacificSport park pop up activities, skatepark events, Spikeball games, PLAY skills camps and much more. A calendar of events for the first three weeks of July has been posted on the District's website and Facebook page. As more events are added or weather challenges are presented, the pages will be updated. Registered sport camp programs are also available to keep kids active.

The South Okanagan Similkameen Brain Injury Society (SOSBIS) will be getting in on the action by attending two separate Freestyle Friday Skate Park events. These events will have the SOSBIS offering free helmet fittings, safety tips, watermelon drops, snacks, music and lawn games. The SOSBIS has also tasked Ali with their positive ticket program. If you're caught rocking a helmet at the Summerland skatepark or around town don't be surprised if Ali stops to give you a positive ticket prize.

Get the full schedule and more information at <https://www.summerland.ca/parks-recreation/schedules> or by following [Summerland Recreation](#) on Facebook.
