

Water Technician 3 or 4

Summerland is an idyllic town located in the heart of the Okanagan Valley. Our beautiful beaches, mountains and vineyards and our warm community spirit, help make Summerland a very desirable place to live and work.

The District of Summerland is accepting applications for a full-time Water Technician 3 or 4 position. The work involves assisting in the operation, maintenance, and administration of the District's water systems, watersheds, treatment facilities, and associated appurtenances.

Required Qualifications

1. EOCPC certification in Water Treatment at EOCPC Level 3 or 4.
2. Completion of an accredited post-secondary program in Water/Wastewater Technology (or equivalent), plus related municipal experience and training in water treatment is preferred.
3. A valid B.C. Driver's Licence – Class 5.

A complete job description including all duties and required skills, abilities, qualifications, training, and experience can be found on the District's website at www.summerland.ca/jobs.

This is a CUPE full-time position that provides a competitive benefits package and pension. The pay will reflect the level of EOCPC certification as per the CUPE Agreement: Level 3 - \$37.24, Level 4 - \$42.00.

Qualified applicants are requested to email their resume and cover letter in PDF format to hr@summerland.ca quoting competition #24-24. This competition will be open until filled.

We thank all applicants for their interest, however, only those candidates selected for further consideration will be contacted.
